

Filing Your 2023 Harvested Production Report Online

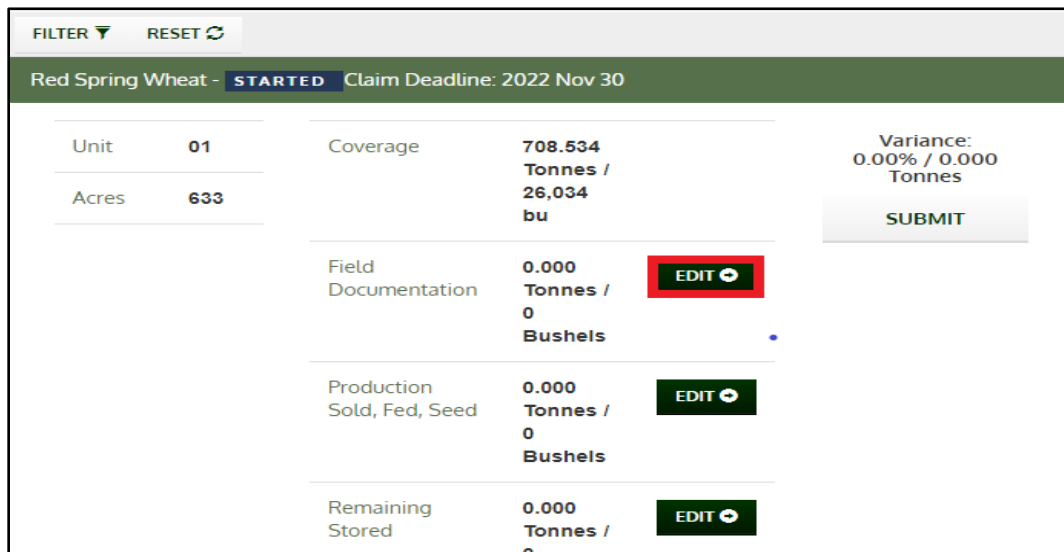

1. Once logged in, click on 2023 Harvested Production Report listed under your landing page.

The screenshot shows three main navigation panels:

- ENTER:**
 - 2023 Seeded Acreage Report
 - 2023 Harvested Production Report** (highlighted with a red box)
 - 2023 Carry Over Production Report
 - Apply for 2023 Hail Insurance
 - Direct Deposit Information
- VIEW:**
 - 2023 Coverage Summary [PDF]
 - 2023 Confirmation of Insurance [PDF]
 - Policy Details
- REGISTER:**
 - 2023 Hail Insurance Claim

2. Under your first crop, click on the EDIT button beside Field Documentation.

The screenshot shows the 'Red Spring Wheat' claim page with the following details:

- Unit: 01
- Acres: 633
- Coverage: 708.534 Tonnes / 26,034 bu
- Variance: 0.00% / 0.000 Tonnes
- Field Documentation: 0.000 Tonnes / 0 Bushels (EDIT button highlighted)
- Production Sold, Fed, Seed: 0.000 Tonnes / 0 Bushels (EDIT button)
- Remaining Stored: 0.000 Tonnes / 0 Bushels (EDIT button)
- SUBMIT button

- Under each legal description, enter your Gross Yield Per Seeded Acre and Unit of Measure; click on SET FOR ALL if you are using the same unit of measure for all fields.

Harvested Production Report - Contract Number: [REDACTED] (Red Spring Wheat)

FIELD DOCUMENTATION NET PRODUCTION – SOLD, FED, SEED PRODUCTION – REMAINING STORED

Back to Overview Move to Production Sold, Fed, Seed

Edit Unharvested Acres

Alternate Use Acres: 0

Destroyed Acres: 0

Overwinter Acres: 0

OK

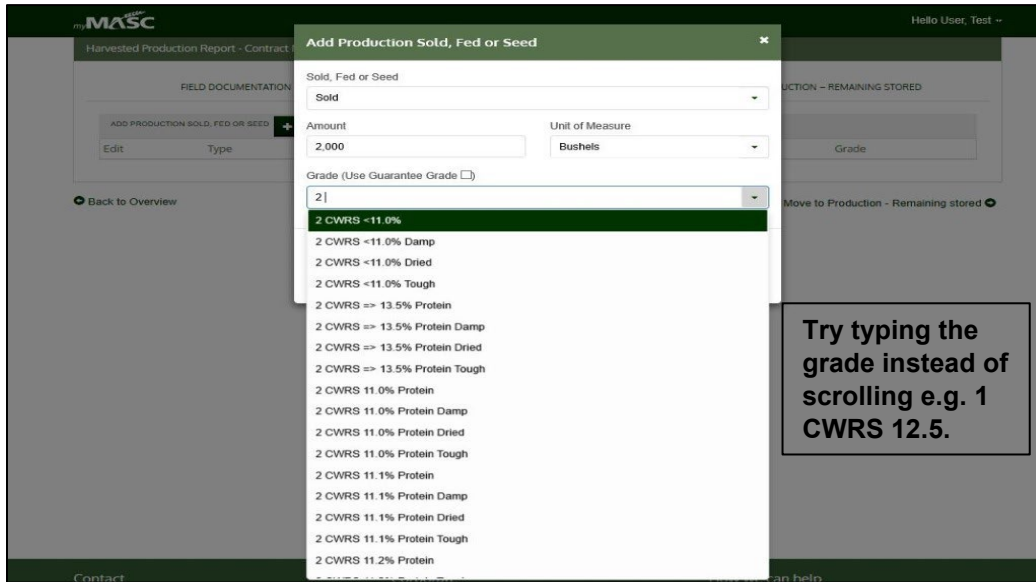

- After you have entered all fields, click on SAVE ALL.
- Once completed, click on the bottom right corner Move to Production, Sold, Fed, Seed.

4. Production Sold, Fed, Seed

- a. Click + button to add sold, fed, or seed production. If you have nothing for this section, click on the bottom righthand Production-Remaining Stored.
- b. Enter Information in all fields.

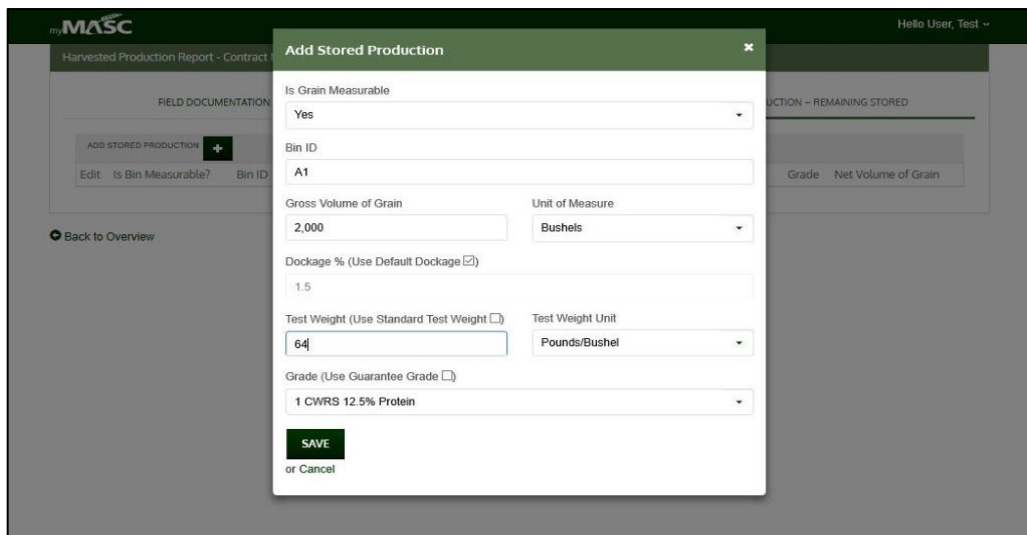

For the grade use the drop-down box if unknown click on Use Guarantee Grade

- a. Click SAVE when completed.
- b. For added production, click + button and follow above steps.
- c. Once completed, click Move to Production-Remaining Stored in the bottom right corner.

5. Stored Production

- a. Click on the + button to add stored production.
- b. Answer All Boxes.
If unknown, check the Default box where available.
- c. Click SAVE when complete.
- d. For additional storage, click on the + button and follow above steps.
- e. Once completed, click on Back to Overview.

6. Variance

If the submit box shows a **red variance** amount, check all information entered to find the cause of the error.

- variances are caused by Section B and C not equalling Section A (common reasons for variance: missed bin, missed production, added old grain, keying error, test weight)

Unit	01	Coverage	708.534 Tonnes / 26,034 bu	
Acres	633	Field Documentation	4,134.553 Tonnes / 151,920 Bushels	EDIT
		Production Sold, Fed, Seed	0.000 Tonnes / 0 Bushels	EDIT
		Remaining Stored	1,058.195 Tonnes / 38,882 Bushels	EDIT

Variance:
74.41% /
3,076.358
Tonnes

WARNING: This variance may indicate keying is incomplete or a keying error has been made. Please verify your data is complete and accurate before submitting.

SUBMIT

7. Forage Crops

a. Under the crop heading, click on Edit. Click on the Add Production + if you have production to report.

i. Enter information in all fields.

Moisture % - use default moisture if unknown

Relative Feed Value or Quality - choose quality from the drop-down box

ii. Click SAVE.

iii. Click Back to Overview.

Total Cuts Per Field

Cuts: 1

Add production

Select Storage Type: Select... Total Number of Bales: 0

Total Silage / Weight per Bale: 0.000 Unit of Measure: Select...

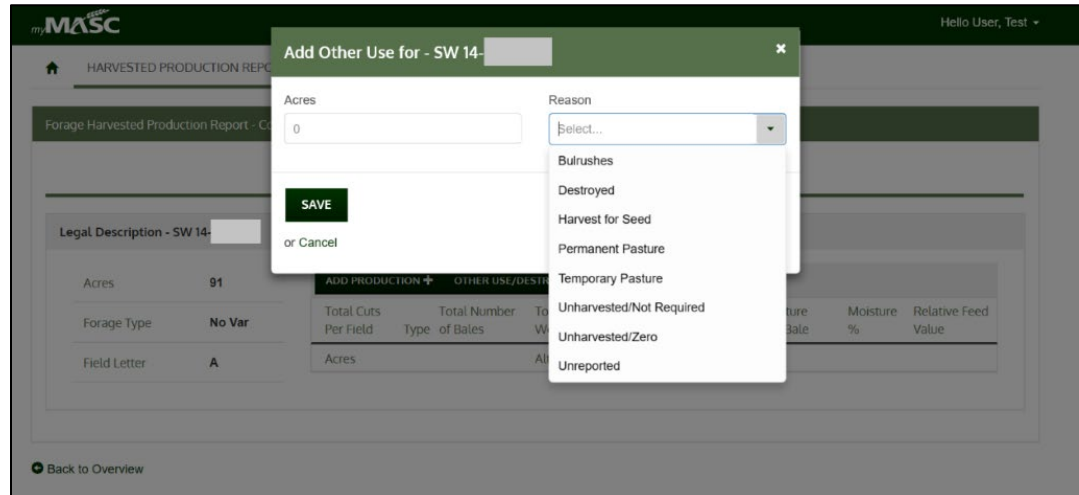

High Moisture Wrapped Bale: Moisture % (Use Default Moisture): 0.00 %

Relative Feed Value: 0 or Quality: Select...

SAVE ←

or Cancel

- b. Other Use/Destroyed +
 - i. Enter Acres.
 - ii. Choose from the drop-down box for reason.
 - iii. Click SAVE.
 - iv. Click Back to Overview.

***Ensure all information is entered accurately to calculate potential claims and future coverage.**

Declaration: I/We hereby certify that the information provided in this Harvested Production Report is a complete and accurate statement of: (i) my/our harvested, destroyed and overwinter acres; and (ii) the total 2022 harvested production from all acres. I/We further understand that any misrepresentation, misstatement or non-disclosure of required information is contrary to the terms of my/our AgrilInsurance Contract and may result in serious consequences, including but not limited to, the repayment or forfeiture of indemnities and/or the termination of my/our participation in the AgrilInsurance program. I/We acknowledge that the Corporation may elect to process a post harvest claim for indemnity on the basis of this declaration, and that any overpayments arising from a claim will be repayable on demand. If a claim is processed based on this declaration, an appeal of the indemnity is not available, but the claim may be revised on the basis of revisions to grade and dockage up to August 15 of the following crop year based on sales documentation.
